

ESMR421VSN331MA25S

**Part Number:** [ESMR421VSN331MA25S](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 330UF 20% 420V SNAP

**Data sheet:**  [SMR Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                              | 330µF 420V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 2000 Hrs @ 85°C | Capacitance                        | 330µF                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                      | General Purpose                                                                   |                                    |                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 29911 pieces of Nippon Chemi-Con ESMR421VSN331MA25S in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                   |                                    |                                  |
