

F17724222290

Part Number: [F17724222290](#)

Manufacturer [Electro-Films \(EFI\) / Vishay](#)

Description CAP FILM 0.22UF 20% 630VDC RAD

Data sheet:  [F1772 Class X2 Series Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 0.22µF Film Capacitor 310V 630V Polyester, Metallized Radial | Capacitance                      | 0.22µF                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | EMI, RFI Suppression                                         |                                  |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 77782 pieces of Electro-Films (EFI) / Vishay F17724222290 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                              |                                  |                                                 |
