

FCP0805H181J

Part Number:

FCP0805H181J

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP FILM 180PF 5% 50VDC 0805

Data sheet:

 [FCP Type](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 180pF Film Capacitor 50V Polyphenylene Sulfide (PPS) 0805 (2012 Metric) | Capacitance                    | 180pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | High Frequency, Switching                                               |                                |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 748321 pieces of Cornell Dubilier Electronics FCP0805H181J in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                         |                                |                                              |
