

FCP1210C683G

**Part Number:** [FCP1210C683G](#)

**Manufacturer:** [Cornell Dubilier Electronics](#)

**Description:** CAP FILM 0.068UF 2% 16VDC 1210

**Data sheet:**  [FCP Type](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 0.068µF Film Capacitor 16V Polyphenylene Sulfide (PPS) 1210 (3225 Metric) | Capacitance                    | 0.068µF                                      |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | High Frequency, Switching                                                 |                                |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 361020 pieces of Cornell Dubilier Electronics FCP1210C683G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                           |                                |                                              |
