

FIN1.50RD

Images are for reference only.  
See Product Specifications for product details.  
**Buy FIN1.50RD with confidence from Component-World.HK, 1 Year Warranty**

**Part Number:** [FIN1.50RD](#)

**Manufacturer:** [Techflex](#)

**Description:** SLEEVING 1.5" ID FBRGLASS 50'

**Data sheet:**  [FireFlex Datasheet](#)  
 [FireFlex Catalog Page](#)

**RoHS Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

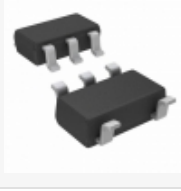

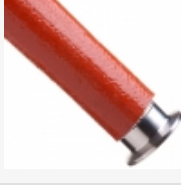

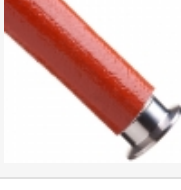

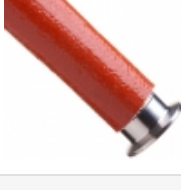

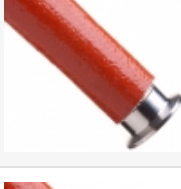

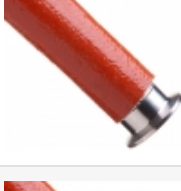

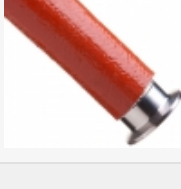

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| Series                           | FireFlex®                                                                                                  | Operating Temperature           | -54°C ~ 260°C                                                               |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                              | Material Flammability Rating    | Non Flammable                                                               |
| Material                         | Fiberglass, Silicone Coated, Halogen Free                                                                  | Manufacturer Standard Lead Time | 5 Weeks                                                                     |
| Liquid Protection                | Gasoline Resistant, Moisture Resistant                                                                     | Length                          | 50.00' (15.24m)                                                             |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                                 | Heat Protection                 | Flame Resistant, Heat Resistant                                             |
| Features                         | Chemical Resistant, Solvent Resistant                                                                      | Environment Protection          | -                                                                           |
| Diameter - Outside               | 1.644" (41.76mm)                                                                                           | Diameter - Inside               | 1.500" (38.10mm)                                                            |
| Detailed Description             | Red Fiberglass, Silicone Coated, Halogen Free Braided Sleeving, Insulated 1.500" (38.10mm) 50.00' (15.24m) | Color                           | Red                                                                         |
| Abrasion Protection              | Abrasion and Cut Resistant, Puncture Resistant                                                             |                                 |                                                                             |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Techflex series electronic components. We have 371 pieces of Techflex FIN1.50RD in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
