

FKP1T023306D00KSC9

Part Number: [FKP1T023306D00KSC9](#)

Manufacturer: [WIMA](#)

Description: CAP FILM 0.033UF 10% 1600VDC RAD

Data sheet:  [WIMA FKP 1](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                     | 0.033µF Film Capacitor 650V 1600V (1.6kV) Polypropylene (PP), Metallized Radial |                                  |                                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                             | High Frequency, Switching; High Pulse, DV/DT                                    |                                  |                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all WIMA series electronic components. We have 81903 pieces of WIMA FKP1T023306D00KSC9 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                 |                                  |                                         |
