

FT51BQ-R

Part Number: [FT51BQ-R](#)

Manufacturer [FTDI, Future Technology Devices International Ltd](#)

Description IC MCU 8BIT 16KB MTP 32QFN

Data sheet:  [FT51A Series](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

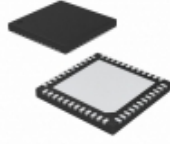

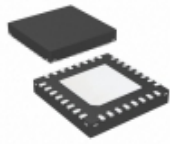

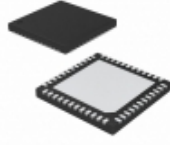

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Images are for reference only.  
See Product Specifications for product details.  
Buy FT51BQ-R with confidence from Component-World.HK, 1 Year Warranty

| Description                     | IC MCU 8BIT 16KB MTP 32QFN                                                                       | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                        |
| Quantity Available              | 38771 pcs                                                                                        | Data sheet                       | <a href="#">FT51A Series</a>                                      |
| Category                        | <a href="#">Integrated Circuits (ICs)</a>                                                        | Voltage - Supply (Vcc/Vdd)       | Multi-Time Programmable (MTP)                                     |
| Voltage - Breakdown             | 32-WQFN (6x6)                                                                                    | Series                           | -                                                                 |
| RoHS Status                     | Tape & Reel (TR)                                                                                 | Reverse Recovery Time (trr)      | 48MHz                                                             |
| Requires                        | DMA, POR, PWM, WDT                                                                               | Program Memory Type              | 16KB (16K x 8)                                                    |
| Program Memory Size             | 1C, SPI, UART/USART, USB                                                                         | Polarization                     | 32-WFQFN Exposed Pad                                              |
| Oscillator Type                 | A/D 16x8b                                                                                        | Operating Temperature            | -40°C ~ 85°C (TA)                                                 |
| Operating System                | 8051                                                                                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                     |
| Manufacturer Standard Lead Time | 12 Weeks                                                                                         | Manufacturer Part Number         | FT51BQ-R                                                          |
| Expanded Description            | 8051 - Microcontroller IC 8-Bit 48MHz 16KB (16K x 8) Multi-Time Programmable (MTP) 32-WQFN (6x6) | Description                      | IC MCU 8BIT 16KB MTP 32QFN                                        |
| Data SRAM Bytes                 | -                                                                                                | Data Converters                  | 3 V ~ 5.5 V                                                       |
| Core Size                       | 24K x 8                                                                                          | Controller Series                | Internal                                                          |
| Connectivity                    | 8-Bit                                                                                            | Clock Rate                       | 16                                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all FTDI (Future Technology Devices International, Ltd.) series electronic components. We have 38771 pieces of FTDI (Future Technology Devices International, Ltd.) FT51BQ-R in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
