

GJM0335C1H3R7BB01E

  
INNOVATOR IN ELECTRONICS

**Part Number:** [GJM0335C1H3R7BB01E](#)

**Manufacturer:** [Murata Electronics](#)

**Description:** CAP CER 3.7PF 50V C0G/NP0 0201

**Data sheet:**  [GJM0335C1H3R7BB01x Ref Sheet](#)

**RoHs Status:** Lead free / RoHS Compliant

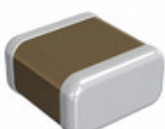

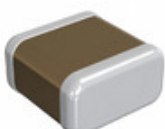

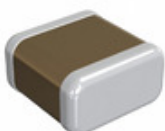

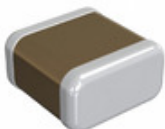

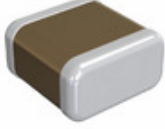

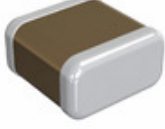

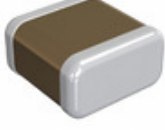

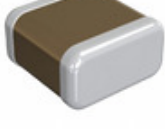

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                    | 3.7pF ±0.1pF 50V Ceramic Capacitor C0G, NP0 0201 (0603 Metric) | Capacitance                      | 3.7pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                            | RF, Microwave, High Frequency                                  |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Murata Electronics series electronic components. We have 5166629 pieces of Murata Electronics GJM0335C1H3R7BB01E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                |                                  |                                              |
