

GJM0335C1H6R8CB01E

INNOVATOR IN ELECTRONICS

Part Number: [GJM0335C1H6R8CB01E](#)

Manufacturer: [Murata Electronics](#)

Description: CAP CER 6.8PF 50V C0G/NP0 0201

Data sheet:  [GJM0335C1H6R8CB01x Ref Sheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 6.8pF ±0.25pF 50V Ceramic Capacitor C0G, NP0 0201 (0603 Metric) | Capacitance                      | 6.8pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                           | RF, Microwave, High Frequency                                   |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Murata Electronics series electronic components. We have 3376285 pieces of Murata Electronics GJM0335C1H6R8CB01E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                  |                                              |
