Buy IDT79RC32T355-180DHG with confidence from  
Component-World.HK, 1 Year Warranty

**Part Number:** IDT79RC32T355-180DHG

**Manufacturer:** IDT (Integrated Device Technology)

**Description:** IC MPU INTERPRISE 180MHZ 208QFP

**Data sheet:**  [79RC32355](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                           |                                |                                                                              |

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IDT (Integrated Device Technology) series electronic components. We have 5784 pieces of IDT (Integrated Device Technology) IDT79RC32T355-180DHG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                                                              |
