

IR2175PBF

Part Number: [IR2175PBF](#)

Manufacturer: [International Rectifier \(Infineon Technologies\)](#)

Description: IC CURRENT SENSE 0.5% 8DIP

Data sheet:  [IR2175\(S\) \(PbF\)](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

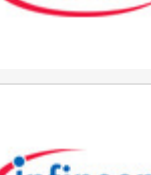

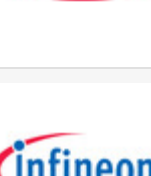

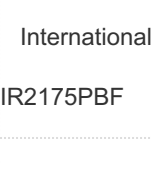

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Images are for reference only.  
See Product Specifications for product details.  
Buy IR2175PBF with confidence from Component-World.HK, 1 Year Warranty

| PRODUCT PARAMETER                |                                           |                                 |                                                                 |
|----------------------------------|-------------------------------------------|---------------------------------|-----------------------------------------------------------------|
| Part Number                      | IR2175PBF                                 | Manufacturer                    | <a href="#">International Rectifier (Infineon Technologies)</a> |
| Description                      | IC CURRENT SENSE 0.5% 8DIP                | Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                                      |
| Quantity Available               | 58081 pcs                                 | Data sheet                      | <a href="#">IR2175(S) (PbF)</a>                                 |
| Category                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Input                 | 9.5 V ~ 20 V                                                    |
| Supplier Device Package          | 8-PDIP                                    | Series                          | -                                                               |
| Sensing Method                   | -                                         | Packaging                       | Tube                                                            |
| Package / Case                   | 8-DIP (0.300", 7.62mm)                    | Other Names                     | *IR2175PBF<br>SP001538250                                       |
| Operating Temperature            | -40°C ~ 125°C                             | Mounting Type                   | Through Hole                                                    |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Manufacturer Standard Lead Time | 18 Weeks                                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                | Function                        | Current Sense                                                   |
| Detailed Description             | Current Sense Regulator 20mA 8-PDIP       | Current - Output                | 20mA                                                            |
| Base Part Number                 | IR2175PBF                                 | Accuracy                        | ±0.5%                                                           |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all International Rectifier (Infineon Technologies) series electronic components. We have 58081 pieces of International Rectifier (Infineon Technologies) IR2175PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
