See Product Specifications for product details.  
Buy ISPPAC-POWR6AT6-01SN32I with confidence from  
Component-World.HK, 1 Year Warranty

Part Number: ISPPAC-POWR6AT6-01SN32I

Manufacturer: Lattice Semiconductor

Description: IC PWR MANAGER ISP GP 32-QFNS

Data sheet:

| Package / Case                   | 32-VFQFN Exposed Pad                      | Other Names                     | 220-1360<br>ISPPAC-POWR6AT6-01SN32I-ND<br>ISPPACPOWR6AT601SN32I                                                    |
| Operating Temperature            | -40°C ~ 85°C                              | Mounting Type                   | Surface Mount                                                                                                      |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                             | Manufacturer Standard Lead Time | 9 Weeks                                                                                                            |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                | Detailed Description            | Power Supply Controller Power Supply Controller/Monitor 32-QFNS (5x5)                                              |
| Current - Supply                 | 10mA                                      | Base Part Number                | ISPPAC-POWR6AT6                                                                                                    |
| Applications                     | Power Supply Controller/Monitor           |                                 |                                                                                                                    |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Lattice Semiconductor series electronic components. We have 19496 pieces of Lattice Semiconductor ISPPAC-POWR6AT6-01SN32I in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
