

KTF250B156M43NHT00

**Part Number:** [KTF250B156M43NHT00](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP CER 15UF 25V X7R 1812

**Data sheet:**  [NTS, NTF Series](#)

**RoHs Status:** Lead free / RoHS Compliant

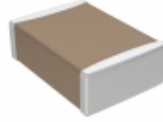

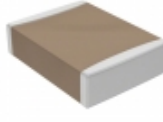

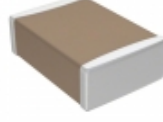

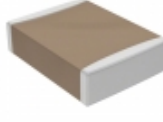

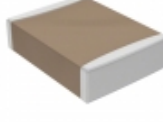

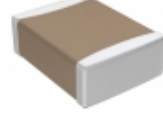

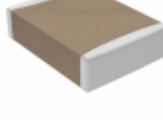

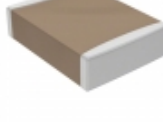

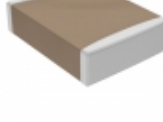

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                                                         | -                          | Detailed Description            | 15µF ±20% 25V Ceramic Capacitor X7R 1812 (4532 Metric) |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 15µF                       | Applications                    | General Purpose                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 92201 pieces of Nippon Chemi-Con KTF250B156M43NHT00 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                            |                                 |                                                        |
