

KVD500L475M55A0T00

**Part Number:** [KVD500L475M55A0T00](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP CER 4.7UF 50V X8L RADIAL

**Data sheet:**  [KVD Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                             | 4.7µF ±20% 50V Ceramic Capacitor X8L Radial                        | Capacitance                      | 4.7µF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Automotive                                                         |                                  |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 64326 pieces of Nippon Chemi-Con KVD500L475M55A0T00 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                    |                                  |                                       |
