

KVF101L683M31NLT00

**Part Number:** [KVF101L683M31NLT00](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP CER 0.068UF 100V X8L 1206

**Data sheet:**  [KVF Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                              | 0.068µF ±20% 100V Ceramic Capacitor X8L 1206 (3216 Metric) | Capacitance                      | 0.068µF                               |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Automotive                                                 |                                  |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 203563 pieces of Nippon Chemi-Con KVF101L683M31NLT00 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                  |                                       |
