

L272AM

ON Semiconductor®

Part Number: [L272AM](#)

Manufacturer: [AMI Semiconductor / ON Semiconductor](#)

Description: IC OPAMP GP 350KHZ 8DIP

Data sheet:  [L272/A](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | General Purpose Amplifier 2 Circuit 8-MDIP | Current - Supply                  | 8mA                                                  |
| Current - Output / Channel                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 700mA                                      | Current - Input Bias              | 300nA                                                |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | L272                                       | Amplifier Type                    | General Purpose                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 239697 pieces of AMI Semiconductor / ON Semiconductor L272AM in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                            |                                   |                                                      |
