See Product Specifications for product details.  
Buy L4936N with confidence from Component-World.HK, 1 Year Warranty

life.augmented

Part Number: [L4936N](#)

Manufacturer: [STMicroelectronics](#)

Description: IC REG LIN POS ADJ 11MULTIWATT

Data sheet:  [L4936N/NH](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a>                                                                  | Voltage Dropout (Max)          | 0.4V @ 50mA, 0.6V @ 500mA                         |
| Voltage - Output (Min/Fixed)     | 5V, Tracking                                                                                               | Voltage - Output (Max)         | -                                                 |
| Voltage - Input (Max)            | 25V                                                                                                        | Supplier Device Package        | 11-Multiwatt                                      |
| Series                           | -                                                                                                          | Protection Features            | Over Temperature, Short Circuit                   |
| Packaging                        | Tube                                                                                                       | Package / Case                 | Multiwatt-11 (Vertical, Bent and Staggered Leads) |
| PSRR                             | -                                                                                                          | Output Type                    | Adjustable (Fixed)                                |
| Output Configuration             | Positive                                                                                                   | Operating Temperature          | -55°C ~ 150°C                                     |
| Number of Regulators             | 2                                                                                                          | Mounting Type                  | Through Hole                                      |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                                                                                              | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                        |
| Detailed Description             | Linear Voltage Regulator IC Positive Fixed and Adjustable 2 Output 5V, 5 V ~ 20 V 50mA, 500mA 11-Multiwatt | Current - Output               | 50mA, 500mA                                       |
| Control Features                 | Enable, Reset                                                                                              | Base Part Number               | L4936N                                            |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all STMicroelectronics series electronic components. We have 32048 pieces of STMicroelectronics L4936N in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
