

LA4631VC-XE

ON Semiconductor®

Part Number: [LA4631VC-XE](#)

Manufacturer: [AMI Semiconductor / ON Semiconductor](#)

Description: IC AUDIO AMP SE 2CH 12SIP

Data sheet:  [LA4631VC](#)

RoHs Status: Lead free / RoHS Compliant

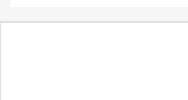

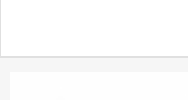

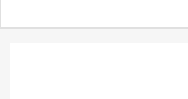

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12-SIP Exposed Pad                        | Output Type                      | 2-Channel (Stereo)                                   |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | LA4631VC-XE-ND<br>LA4631VC-XEOS           | Operating Temperature            | -20°C ~ 75°C (TA)                                    |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Through Hole                              | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                        |
| Max Output Power x Channels @ Load                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 4.5W x 2 @ 3 Ohm                          | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                           |
| Features                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Depop, Standby                            | Detailed Description             | Amplifier IC 2-Channel (Stereo) Class AB 12-SIPH     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 4189 pieces of AMI Semiconductor / ON Semiconductor LA4631VC-XE in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                      |
