| Operating Temperature            | -40°C ~ 85°C                              | Mounting Type                  | Surface Mount                                        |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                             | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                           |
| Interface                        | Serial                                    | Display Type                   | LCD                                                  |
| Digits or Characters             | -                                         | Current - Supply               | 270µA                                                |
| Configuration                    | 228 Segment, 300 Segment                  |                                |                                                      |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 5365 pieces of AMI Semiconductor / ON Semiconductor LC75804W-E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
