

LDEED3470JA0N00

Electronic Components

**KEMET**

CHARGED™

Part Number:

LDEED3470JA0N00

Manufacturer:

KEMET

Description:

CAP FILM 0.47UF 5% 100VDC 2220

Data sheet:

 [LDE Series Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.47µF Film Capacitor 63V 100V Polyester, Polyethylene Naphthalate (PEN), Metallized - Stacked 2220 (5750 Metric) | Capacitance                      | 0.47µF                                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | Automotive                                                                                                        |                                  |                                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 84444 pieces of KEMET LDEED3470JA0N00 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                                   |                                  |                                                                 |
