

LLG2G561MELC35

**Part Number:** [LLG2G561MELC35](#)

**Manufacturer** [Nichicon](#)

**Description** CAP ALUM 560UF 20% 400V SNAP

**Data sheet:**  [LLG Series](#)  
 [Snap-In Terminal, Terminal-Shape](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

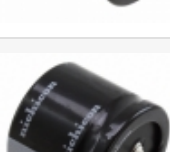

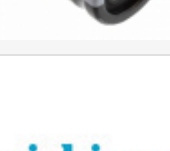

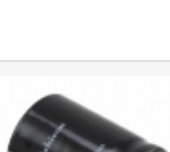

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Ripple Current @ Low Frequency  | 2.39A @ 120Hz                                                                     | Ripple Current @ High Frequency    | 3.4177A @ 50kHz                                                                |
| Ratings                         | -                                                                                 | Polarization                       | Polar                                                                          |
| Packaging                       | Bulk                                                                              | Package / Case                     | Radial, Can - Snap-In                                                          |
| Other Names                     | 493-6108                                                                          | Operating Temperature              | -25°C ~ 85°C                                                                   |
| Mounting Type                   | Through Hole                                                                      | Moisture Sensitivity Level (MSL)   | 1 (Unlimited)                                                                  |
| Manufacturer Standard Lead Time | 35 Weeks                                                                          | Lifetime @ Temp.                   | 2000 Hrs @ 85°C                                                                |
| Lead Spacing                    | 0.394" (10.00mm)                                                                  | Lead Free Status / RoHS Status     | Lead free / RoHS Compliant                                                     |
| Height - Seated (Max)           | 1.457" (37.00mm)                                                                  | ESR (Equivalent Series Resistance) | -                                                                              |
| Detailed Description            | 560µF 400V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 2000 Hrs @ 85°C | Capacitance                        | 560µF                                                                          |
| Applications                    | General Purpose                                                                   |                                    |                                                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nichicon series electronic components. We have 17416 pieces of Nichicon LLG2G561MELC35 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
