

LM2901PT

**Part Number:** [LM2901PT](#)

**Manufacturer:** [LAPIS Semiconductor](#)

**Description:** IC COMPARATOR QUAD GP 14-TSSOP

**Data sheet:**  [TSSOP-B14J Taping Spec](#)  
 [LM2901xT,2903xT,339xT,393xT Datasheet](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

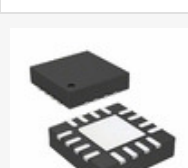

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                       | <a href="#">Integrated Circuits (ICs)</a>                 | Voltage - Supply, Single/Dual (±) | 2 V ~ 36 V, ±1 V ~ 18 V                                                                         |
| Voltage - Input Offset (Max)   | 7mV @ 5V                                                  | Type                              | General Purpose                                                                                 |
| Series                         | -                                                         | Propagation Delay (Max)           | -                                                                                               |
| Packaging                      | Tape & Reel (TR)                                          | Package / Case                    | 14-TSSOP (0.173", 4.40mm Width)                                                                 |
| Output Type                    | CMOS, MOS, Open-Collector, TTL                            | Other Names                       | LM2901PTRS                                                                                      |
| Operating Temperature          | -40°C ~ 125°C                                             | Number of Elements                | 4                                                                                               |
| Mounting Type                  | Surface Mount                                             | Moisture Sensitivity Level (MSL)  | 2 (1 Year)                                                                                      |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                | Hysteresis                        | -                                                                                               |
| Detailed Description           | Comparator General Purpose CMOS, MOS, Open-Collector, TTL | Current - Quiescent (Max)         | 2mA                                                                                             |
| Current - Output (Typ)         | 16nA @ 5V                                                 | Current - Input Bias (Max)        | 250nA @ 5V                                                                                      |
| CMRR, PSRR (Typ)               | -                                                         | Base Part Number                  | LM2901                                                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all LAPIS Semiconductor series electronic components. We have 226685 pieces of LAPIS Semiconductor LM2901PT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
