

LM5070MTC-80

COMPONENTS-WORLD.COM

Part Number: [LM5070MTC-80](#)

Manufacturer: [N/A](#)

Description: [IC PD POE CONTROLLER 16TSSOP](#)

Data sheet:

RoHs Status: [Contains lead / RoHS non-compliant](#)

Ship From: [Hong Kong](#)

Shipment Way: [DHL/Fedex/TNT/UPS/EMS](#)

Images are for reference only.  
See Product Specifications for product details.  
Buy LM5070MTC-80 with confidence from Component-World.HK, 1 Year Warranty

| PRODUCT PARAMETER                |                                           |                                |                                                                 |
|----------------------------------|-------------------------------------------|--------------------------------|-----------------------------------------------------------------|
| Part Number                      | LM5070MTC-80                              | Manufacturer                   | N/A                                                             |
| Description                      | IC PD POE CONTROLLER 16TSSOP              | Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant                              |
| Quantity Available               | 5832 pcs                                  | Data sheet                     |                                                                 |
| Category                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply               | 1.8 V ~ 75 V                                                    |
| Type                             | Controller (PD), DC/DC                    | Supplier Device Package        | 16-TSSOP                                                        |
| Standards                        | 802.3af (PoE)                             | Series                         | -                                                               |
| Packaging                        | Tube                                      | Package / Case                 | 16-TSSOP (0.173", 4.40mm Width)                                 |
| Operating Temperature            | -40°C ~ 125°C                             | Number of Channels             | 1                                                               |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant                              |
| Internal Switch(s)               | Both                                      | Detailed Description           | Power Over Ethernet Controller 1 Channel 802.3af (PoE) 16-TSSOP |
| Current - Supply                 | -                                         | Base Part Number               | LM5070                                                          |
| Auxiliary Sense                  | No                                        |                                |                                                                 |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 5832 pieces of LM5070MTC-80 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
