

LMK00101SQX/NOPB

COMPONENTS-WORLD.COM

Part Number: [LMK00101SQX/NOPB](#)

Manufacturer: [N/A](#)

Description: [IC CLK BUFFER 3:10 200MHZ 32WQFN](#)

Data sheet:

RoHs Status: [Lead free / RoHS Compliant](#)

Ship From: [Hong Kong](#)

Shipment Way: [DHL/Fedex/TNT/UPS/EMS](#)

| PRODUCT PARAMETER                |                                                                                                 |                                 |                                                   |
|----------------------------------|-------------------------------------------------------------------------------------------------|---------------------------------|---------------------------------------------------|
| Part Number                      | LMK00101SQX/NOPB                                                                                | Manufacturer                    | N/A                                               |
| Description                      | IC CLK BUFFER 3:10 200MHZ 32WQFN                                                                | Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                        |
| Quantity Available               | 27823 pcs                                                                                       | Data sheet                      |                                                   |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                                                       | Voltage - Supply                | 2.375 V ~ 3.45 V                                  |
| Type                             | Fanout Buffer (Distribution), Multiplexer, Translator                                           | Supplier Device Package         | 32-WQFN (5x5)                                     |
| Series                           | -                                                                                               | Ratio - Input:Output            | 3:10                                              |
| Packaging                        | Tape & Reel (TR)                                                                                | Package / Case                  | 32-WFQFN Exposed Pad                              |
| Output                           | LVCMOS, LVTTTL                                                                                  | Operating Temperature           | -40°C ~ 85°C                                      |
| Number of Circuits               | 1                                                                                               | Mounting Type                   | Surface Mount                                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                   | Manufacturer Standard Lead Time | 26 Weeks                                          |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                      | Input                           | HCSL, LVCMOS, LVDS, LVPECL, LVTTTL, SSTL, Crystal |
| Frequency - Max                  | 200MHz                                                                                          | Differential - Input:Output     | Yes/No                                            |
| Detailed Description             | Clock Fanout Buffer (Distribution), Multiplexer, Translator IC 3:10 200MHz 32-WFQFN Exposed Pad | Base Part Number                | LMK00101                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 27823 pieces of LMK00101SQX/NOPB in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
