

LMK60E2-125M00SIAR

COMPONENTS-WORLD.COM

Part Number: [LMK60E2-125M00SIAR](#)

Manufacturer: N/A

Description: LMK60E2-125M00SIAR

Data sheet:

RoHs Status:

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply                | 3.135 V ~ 3.465 V                      |
| Type                                                                                                                                                                                                                                                                                                                                                                            | Clock Oscillator                          | Supplier Device Package         | 6-QFM (7x5)                            |
| Series                                                                                                                                                                                                                                                                                                                                                                          | -                                         | Packaging                       | Tape & Reel (TR)                       |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                  | 6-SMD Module                              | Operating Temperature           | -40°C ~ 85°C (TA)                      |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                   | Surface Mount                             | Manufacturer Standard Lead Time | 16 Weeks                               |
| Frequency                                                                                                                                                                                                                                                                                                                                                                       | 125MHz                                    | Detailed Description            | Clock Oscillator IC 125MHz 6-QFM (7x5) |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                | 162mA                                     | Count                           | -                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 18336 pieces of LMK60E2-125M00SIAR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                           |                                 |                                        |
