

LMV116MFX

**Part Number:** [LMV116MFX](#)

**Manufacturer:** N/A

**Description:** IC OPAMP VFB 45MHZ RRO SOT23-5

**Data sheet:**

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

**Buy LMV116MFX with confidence from Component-World.HK, 1 Year Warranty**

| PRODUCT PARAMETER              |                                           |                                   |                                                                       |
|--------------------------------|-------------------------------------------|-----------------------------------|-----------------------------------------------------------------------|
| Part Number                    | LMV116MFX                                 | Manufacturer                      | N/A                                                                   |
| Description                    | IC OPAMP VFB 45MHZ RRO SOT23-5            | Lead Free Status / RoHS Status    | Contains lead / RoHS non-compliant                                    |
| Quantity Available             | 4463 pcs                                  | Data sheet                        |                                                                       |
| Category                       | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 2.5 V ~ 12 V, ±1.25 V ~ 6 V                                           |
| Voltage - Input Offset         | 1mV                                       | Supplier Device Package           | SOT-23-5                                                              |
| Slew Rate                      | 35 V/μs                                   | Series                            | -                                                                     |
| Packaging                      | Tape & Reel (TR)                          | Package / Case                    | SC-74A, SOT-753                                                       |
| Output Type                    | Push-Pull, Rail-to-Rail                   | Other Names                       | LMV116MFXTR                                                           |
| Operating Temperature          | -40°C ~ 85°C                              | Number of Circuits                | 1                                                                     |
| Mounting Type                  | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                         |
| Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant        | Detailed Description              | Voltage Feedback Amplifier 1 Circuit Push-Pull, Rail-to-Rail SOT-23-5 |
| Current - Supply               | 600μA                                     | Current - Output / Channel        | 20mA                                                                  |
| Current - Input Bias           | 400nA                                     | Base Part Number                  | LMV116                                                                |
| Amplifier Type                 | Voltage Feedback                          | -3db Bandwidth                    | 45MHz                                                                 |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 4463 pieces of LMV116MFX in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
