

LMV118MFX

COMPONENTS-WORLD.COM

Part Number: [LMV118MFX](#)

Manufacturer: [N/A](#)

Description: [IC OPAMP VFB 45MHZ RRO SOT23-6](#)

Data sheet:

RoHs Status: [Contains lead / RoHS non-compliant](#)

Ship From: [Hong Kong](#)

Shipment Way: [DHL/Fedex/TNT/UPS/EMS](#)

Images are for reference only.  
See Product Specifications for product details.  
Buy LMV118MFX with confidence from Component-World.HK, 1 Year Warranty

| PRODUCT PARAMETER                |                                                                       |                                   |                                    |
|----------------------------------|-----------------------------------------------------------------------|-----------------------------------|------------------------------------|
| Part Number                      | LMV118MFX                                                             | Manufacturer                      | N/A                                |
| Description                      | IC OPAMP VFB 45MHZ RRO SOT23-6                                        | Lead Free Status / RoHS Status    | Contains lead / RoHS non-compliant |
| Quantity Available               | 4300 pcs                                                              | Data sheet                        |                                    |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                             | Voltage - Supply, Single/Dual (±) | 2.5 V ~ 12 V, ±1.25 V ~ 6 V        |
| Voltage - Input Offset           | 1mV                                                                   | Supplier Device Package           | SOT-23-6                           |
| Slew Rate                        | 35 V/µs                                                               | Series                            | -                                  |
| Packaging                        | Tape & Reel (TR)                                                      | Package / Case                    | SOT-23-6                           |
| Output Type                      | Push-Pull, Rail-to-Rail                                               | Operating Temperature             | -40°C ~ 85°C                       |
| Number of Circuits               | 1                                                                     | Mounting Type                     | Surface Mount                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                         | Lead Free Status / RoHS Status    | Contains lead / RoHS non-compliant |
| Detailed Description             | Voltage Feedback Amplifier 1 Circuit Push-Pull, Rail-to-Rail SOT-23-6 | Current - Supply                  | 600µA                              |
| Current - Output / Channel       | 20mA                                                                  | Current - Input Bias              | 400nA                              |
| Base Part Number                 | LMV118                                                                | Amplifier Type                    | Voltage Feedback                   |
| -3db Bandwidth                   | 45MHz                                                                 |                                   |                                    |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 4300 pieces of LMV118MFX in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
