

LMV358AIDGKT

COMPONENTS-WORLD.COM

Part Number: [LMV358AIDGKT](#)

Manufacturer [N/A](#)

Description [DUAL LOW-VOLTAGE COST-OPTIMIZED](#)

Data sheet:

RoHs Status:

Ship From: [Hong Kong](#)

Shipment Way: [DHL/Fedex/TNT/UPS/EMS](#)

[Request For Quotation](#)

Buy LMV358AIDGKT with confidence from Component-World.HK, 1 Year Warranty

| PRODUCT PARAMETER               |                                                           |                                   |                                        |
|---------------------------------|-----------------------------------------------------------|-----------------------------------|----------------------------------------|
| Part Number                     | LMV358AIDGKT                                              | Manufacturer                      | N/A                                    |
| Description                     | DUAL LOW-VOLTAGE COST-OPTIMIZED                           | Lead Free Status / RoHS Status    |                                        |
| Quantity Available              | 106434 pcs                                                | Data sheet                        |                                        |
| Category                        | <a href="#">Integrated Circuits (ICs)</a>                 | Voltage - Supply, Single/Dual (±) | 2.5 V ~ 5.5 V                          |
| Voltage - Input Offset          | 1mV                                                       | Supplier Device Package           | 8-VSSOP                                |
| Slew Rate                       | 1.7 V/µs                                                  | Series                            | -                                      |
| Packaging                       | Cut Tape (CT)                                             | Package / Case                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) |
| Output Type                     | Rail-to-Rail                                              | Other Names                       | 296-49505-1                            |
| Operating Temperature           | -40°C ~ 125°C                                             | Number of Circuits                | 2                                      |
| Mounting Type                   | Surface Mount                                             | Moisture Sensitivity Level (MSL)  | 2 (1 Year)                             |
| Manufacturer Standard Lead Time | 12 Weeks                                                  | Gain Bandwidth Product            | 1MHz                                   |
| Detailed Description            | Voltage Feedback Amplifier 2 Circuit Rail-to-Rail 8-VSSOP | Current - Supply                  | 80µA                                   |
| Current - Output / Channel      | 40mA                                                      | Current - Input Bias              | 10pA                                   |
| Amplifier Type                  | Voltage Feedback                                          |                                   |                                        |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all series electronic components. We have 106434 pieces of LMV358AIDGKT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
