

LT1014IN#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1014IN#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP GP 14DIP

Data sheet:  [LT1013, LT1014 Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                           | General Purpose Amplifier 4 Circuit 14-PDIP | Current - Supply                  | 350µA                                      |
| Current - Output / Channel                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 20mA                                        | Current - Input Bias              | 15nA                                       |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                               | LT1014                                      | Amplifier Type                    | General Purpose                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 18186 pieces of ADI (Analog Devices, Inc.) LT1014IN#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                             |                                   |                                            |
