

LT1017CSW#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1017CSW#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC COMPARATOR MCRPWR DUAL 16SOIC

Data sheet:  [LT1017, LT1018 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Hysteresis                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | -                                         | Detailed Description              | Comparator General Purpose Pull Up 16-SOIC |
| Current - Quiescent (Max)                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 60µA                                      | Current - Output (Typ)            | 65mA @ 4.5V                                |
| Current - Input Bias (Max)                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 0.015µA @ ±20V                            | CMRR, PSRR (Typ)                  | 115dB CMRR, 110dB PSRR                     |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | LT1017                                    |                                   |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 33308 pieces of ADI (Analog Devices, Inc.) LT1017CSW#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                            |
