

LT1179CN#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1179CN#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP GP 85KHZ 14DIP

Data sheet:  [LT1178, LT1179 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Gain Bandwidth Product                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 85kHz                                     | Detailed Description              | General Purpose Amplifier 4 Circuit 14-PDIP |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 17µA                                      | Current - Input Bias              | 3nA                                         |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                               | LT1179                                    | Amplifier Type                    | General Purpose                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 26122 pieces of ADI (Analog Devices, Inc.) LT1179CN#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                             |
