

LT1361CN8#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1361CN8#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP VFB 50MHZ 8DIP

Data sheet:  [LT1361, LT1362 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Gain Bandwidth Product                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 50MHz                                     | Detailed Description              | Voltage Feedback Amplifier 2 Circuit 8-PDIP |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 4mA                                       | Current - Output / Channel        | 34mA                                        |
| Current - Input Bias                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 300nA                                     | Base Part Number                  | LT1361                                      |
| Amplifier Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Voltage Feedback                          |                                   |                                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 27729 pieces of ADI (Analog Devices, Inc.) LT1361CN8#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                             |
