

LT1460KCS3-5#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1460KCS3-5#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC VREF SERIES 5V SOT23-3

Data sheet:  [LT1460 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Series Voltage Reference IC ±0.5% 40mA SOT-23-3 | Current - Supply                 | 240µA                                      |
| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 40mA                                            | Base Part Number                 | LT1460                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 55494 pieces of ADI (Analog Devices, Inc.) LT1460KCS3-5#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                 |                                  |                                            |
