

LT1510CS#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1510CS#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC BATT CHARGER CONST V/I 16SOIC

Data sheet:  [LT1510\(-5\) Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

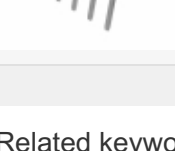

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Programmable Features                                                                                                                                                                                                                                                                                                                                                                                                                                                            | -                                         | Packaging                        | Tape & Reel (TR)                           |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 16-SOIC (0.154", 3.90mm Width)            | Operating Temperature            | 0°C ~ 70°C (TA)                            |
| Number of Cells                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | -                                         | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                              |
| Manufacturer Standard Lead Time                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12 Weeks                                  | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                 |
| Interface                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | -                                         | Fault Protection                 | Over Voltage                               |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Charger IC Multi-Chemistry 16-SOIC        | Current - Charging               | Constant - Programmable                    |
| Charge Current - Max                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1.5A                                      | Battery Pack Voltage             | 20V (Max)                                  |
| Battery Chemistry                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Multi-Chemistry                           | Base Part Number                 | LT1510                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 19761 pieces of ADI (Analog Devices, Inc.) LT1510CS#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                            |
