

LT1790BIS6-3.3#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT1790BIS6-3.3#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC VREF SERIES 3.3V SOT23-6

Data sheet:  [LT1790](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Series Voltage Reference IC ±0.1% 5mA TSOT-23-6 | Current - Supply                 | 80µA                                       |
| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 5mA                                             | Base Part Number                 | LT1790                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 57252 pieces of ADI (Analog Devices, Inc.) LT1790BIS6-3.3#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                 |                                  |                                            |
