

LT4250HCN8

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT4250HCN8](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC CONTRLR HOT SWAP NEG 48V 8DIP

Data sheet:  [LT4250L/H](#)

RoHS Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Fault Timeout                             | Feature Pins                     | DRAIN, PWRGD, OV, UV                       |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Hot Swap Controller 1 Channel -48V 8-PDIP | Current - Supply                 | 1.6mA                                      |
| Current - Output (Max)                                                                                                                                                                                                                                                                                                                                                                                                                                                       | -                                         | Base Part Number                 | LT4250                                     |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | -48V                                      |                                  |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 13229 pieces of ADI (Analog Devices, Inc.) LT4250HCN8 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                            |
