

LT6011ACS8#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT6011ACS8#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP GP 350KHZ RRO 8SO

Data sheet:  [LT6011, LT6012 Datasheet](#)  
 [Mac OS X Shortcuts](#)  
 [LTspice Flyer](#)  
 [LTspice IV Getting Started Guide](#)  
 [High Voltage Amplifiers Selector Card](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a>             | Voltage - Supply, Single/Dual (±) | 2.7 V ~ 36 V, ±1.35 V ~ 18 V                                                                                                                                                                                                 |
| Voltage - Input Offset           | 30µV                                                  | Supplier Device Package           | 8-SO                                                                                                                                                                                                                         |
| Slew Rate                        | 0.11 V/µs                                             | Series                            | -                                                                                                                                                                                                                            |
| Packaging                        | Tape & Reel (TR)                                      | Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                                                                                                                                                                                                |
| Output Type                      | Rail-to-Rail                                          | Operating Temperature             | 0°C ~ 70°C                                                                                                                                                                                                                   |
| Number of Circuits               | 2                                                     | Mounting Type                     | Surface Mount                                                                                                                                                                                                                |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                         | Manufacturer Standard Lead Time   | 12 Weeks                                                                                                                                                                                                                     |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                            | Gain Bandwidth Product            | 350kHz                                                                                                                                                                                                                       |
| Detailed Description             | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-SO | Current - Supply                  | 260µA                                                                                                                                                                                                                        |
| Current - Output / Channel       | 20mA                                                  | Current - Input Bias              | 20pA                                                                                                                                                                                                                         |
| Base Part Number                 | LT6011                                                | Amplifier Type                    | General Purpose                                                                                                                                                                                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 34458 pieces of ADI (Analog Devices, Inc.) LT6011ACS8#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
