

LT6014AIDD#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT6014AIDD#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP GP 1.6MHZ RRO 8DFN

Data sheet:  [LT6013, LT6014](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 200µA                                     | Current - Input Bias              | 100pA                                                        |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | LT6014                                    | Amplifier Type                    | General Purpose                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 23919 pieces of ADI (Analog Devices, Inc.) LT6014AIDD#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                                              |
