

LT6118HDCB#TRMPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT6118HDCB#TRMPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP CURR SENSE 8-DFN

Data sheet:  [LT6118](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Gain Bandwidth Product                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1MHz                                      | Detailed Description              | Current Sense Amplifier 1 Circuit Open Drain 8-DFN (2x3) |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 450µA                                     | Current - Input Bias              | 60nA                                                     |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | LT6118                                    | Amplifier Type                    | Current Sense                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 45869 pieces of ADI (Analog Devices, Inc.) LT6118HDCB#TRMPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                                          |
