

LT6660JCDC-10#TRMPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LT6660JCDC-10#TRMPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC VREF SERIES 10V 3DFN

Data sheet:  [LT6660 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Series Voltage Reference IC ±0.4% 20mA 3-DFN (2x2) | Current - Supply                 | 350µA                                      |
| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 20mA                                               | Base Part Number                 | LT6660                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 67225 pieces of ADI (Analog Devices, Inc.) LT6660JCDC-10#TRMPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                    |                                  |                                            |
