

LTC1290DCSW#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC1290DCSW#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC DATA ACQ SYS 12BIT 20-SOIC

Data sheet:  [LTC1290](#)

RoHs Status: Lead free / RoHS Compliant

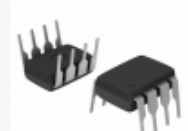

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Data Acquisition System (DAS), ADC 12 bit 50k Serial, Parallel 20-SOIC | Data Interface                   | Serial, Parallel                           |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | LTC1290                                                                |                                  |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 8172 pieces of ADI (Analog Devices, Inc.) LTC1290DCSW#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                        |                                  |                                            |
