

LTC202CN#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC202CN#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC SWITCH QUAD SPST 16DIP

Data sheet:  [LTC201A, LTC202-03](#)

RoHs Status: Lead free / RoHS Compliant

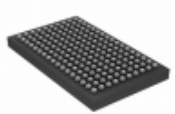

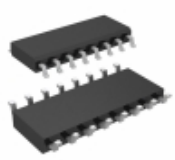

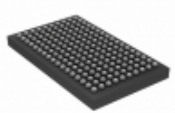

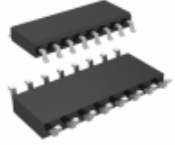

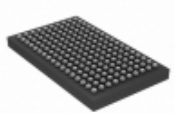

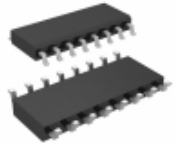

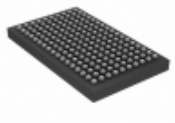

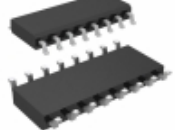

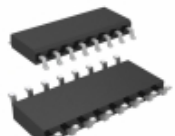

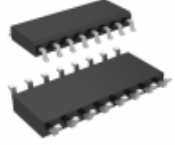

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 4 Circuit IC Switch 1:1 125 Ohm 16-PDIP   | Current - Leakage (IS(off)) (Max)      | 5nA                                        |
| Crosstalk                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | -90dB @ 100kHz                            | Charge Injection                       | 8pC                                        |
| Channel-to-Channel Matching (ΔRon)                                                                                                                                                                                                                                                                                                                                                                                                                                             | 6.25 Ohm                                  | Channel Capacitance (CS(off), CD(off)) | 5pF, 12pF                                  |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                               | LTC202                                    | -3db Bandwidth                         | -                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 50590 pieces of ADI (Analog Devices, Inc.) LTC202CN#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                        |                                            |
