

LTC2856IDD-1#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC2856IDD-1#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC TXRX RS485/RS422 8-DFN

Data sheet:  [LTC2856-58\(-1,-2\) Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/1 Transceiver Half RS422, RS485 8-DFN (3x3) | Data Rate                       | 20Mbps                                      |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | LTC2856                                       |                                 |                                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 47155 pieces of ADI (Analog Devices, Inc.) LTC2856IDD-1#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                               |                                 |                                             |
