

LTC2876CDD#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC2876CDD#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC TXRX RS485 60V PROFIBUS 8DFN

Data sheet:  [LTC2876, LTC2877 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/1 Transceiver Half RS485 8-DFN (3x3)    | Data Rate                       | 20Mbps                                     |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | LTC2876                                   |                                 |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 32934 pieces of ADI (Analog Devices, Inc.) LTC2876CDD#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                 |                                            |
