

LTC3202EDD#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC3202EDD#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC LED DRIVER RGLTR DIM 10DFN

Data sheet:  [LTC3202](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Backlight                                 |                                  |                                                                                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 44300 pieces of ADI (Analog Devices, Inc.) LTC3202EDD#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                                                                        |
