

LTC3490EDD#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number:

LTC3490EDD#TRPBF

Manufacturer:

ADI (Analog Devices, Inc.)

Description:

IC LED DRVRL RGLTR DIM 350MA 8DFN

Data sheet:

 [LTC3490](#)

RoHS Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | -                                         |                                  |                                                                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 36195 pieces of ADI (Analog Devices, Inc.) LTC3490EDD#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                                                         |
