

LTC3555EUF

D-3#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number:

LTC3555EUF

D-3#TRPBF

Manufacturer:

ADI (Analog Devices, Inc.)

Description:

IC USB POWER MANAGER 28-QFN

Data sheet:

LTC3555-X

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                | -                           |           | Base Part Number                | LTC3555                                   |
| Applications                                                                                                                                                                                                                                                                                                                                                                                    | Handheld/Mobile Devices     |           |                                 |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 18248 pieces of ADI (Analog Devices, Inc.) LTC3555EUF-D-3#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours. |                             |           |                                 |                                           |
