

LTC4367CMS8#PBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC4367CMS8#PBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: SUPPLY PROTECTION CONTROLLER

Data sheet:  [LTC4367 Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 70µA                                      | Base Part Number                | LTC4367                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Overvoltage, Undervoltage Protection      |                                 |                                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 47485 pieces of ADI (Analog Devices, Inc.) LTC4367CMS8#PBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                 |                                                  |
