

LTC6101HVACS5#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC6101HVACS5#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP CURR SENSE TSOT23-5

Data sheet:  [LTC6101\(HV\)](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Current Sense Amplifier 1 Circuit TSOT-23-5 | Current - Supply                  | 350µA                                      |
| Current - Output / Channel                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1mA                                         | Current - Input Bias              | 100nA                                      |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | LTC6101                                     | Amplifier Type                    | Current Sense                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 40590 pieces of ADI (Analog Devices, Inc.) LTC6101HVACS5#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                             |                                   |                                            |
