

LTC6269IMS8E-10#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC6269IMS8E-10#TRPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC OPAMP 4GHZ SGL FET 8MSOP

Data sheet:  [LTC6268,69-10](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Slew Rate                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1500 V/µs                                 | Series                            | -                                                  |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Tape & Reel (TR)                          | Package / Case                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) Exposed Pad |
| Output Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Rail-to-Rail                              | Operating Temperature             | -40°C ~ 85°C                                       |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                      |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Lead free / RoHS Compliant                | Gain Bandwidth Product            | 4GHz                                               |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | IC OPAMP 4GHZ SGL FET 8MSOP               | Current - Supply                  | 16.5mA                                             |
| Current - Output / Channel                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 90mA                                      | Current - Input Bias              | 4pA                                                |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | LTC6269                                   | Amplifier Type                    | General Purpose                                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 13752 pieces of ADI (Analog Devices, Inc.) LTC6269IMS8E-10#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                   |                                                    |
